The Board, in its sole discretion and upon motion of any Board member, may vote to rescind a termination of access to the Amenity Facilities.

4. Authority of District Manager and Amenity Manager. The District Manager or the Amenity Manager, or their respective designee, has the ability to remove any person from one or all Amenity Facilities if a Violation occurs or, if in his/her reasonable discretion, it is the District’s best interests to do so. The District Manager or the Amenity Manager, or their respective designee, may each independently at any time restrict or suspend for cause or causes, including but not limited to those

Violations described above, any person's privileges to use any or all of the Amenity Facilities until the next regularly scheduled meeting of the Board of Supervisors that is at least eight (8) days after the initial suspension, as evidenced by the date of notice sent by certified or other mail service, or longer if such individual requests deferment of his or her right to due process. In the event of such a suspension, the District Manager, or his or her designee, shall mail a letter to the person suspended referencing the conduct at issue, the sections of the District's rules and policies violated, the time, date, and location of the next regular Board meeting where the person's suspension will be presented to the Board, and a statement that the person has a right to appear before the Board and offer testimony and evidence why the suspension should be lifted. If the person is a minor, the letter shall be sent to the adults at the address within the community where the minor resides.

5. **Administrative Reimbursement.** The Board may in its discretion require payment of an administrative reimbursement of up to Five Hundred Dollars (\$500) in order to offset the actual legal and/or administrative expenses incurred by the District as a result of a Violation ("Administrative Reimbursement"). Such Administrative Reimbursement shall be in addition to any suspension or termination of Amenity Facilities access, any applicable legal action warranted by the circumstances, and/or any Property Damage Reimbursement (defined below).

4.6. **Property Damage Reimbursement.** If damage to District property occurred in connection with a Violation, the person or persons who caused the damage, or the person whose Guest caused the damage, or the person who has charge of a minor that caused the damage, shall reimburse the District for the costs of cleaning, repairing, and/or replacing the property ("Property Damage Reimbursement"). Such Property Damage Reimbursement shall be in addition to any suspension or termination of Amenity Facilities access, any applicable legal action warranted by the circumstances, and/or any Administrative Reimbursement.

7. **Initial Hearing by the Board; Administrative Reimbursement; Property Damage Reimbursement.**

a. If a person's Amenity Facilities privileges are suspended, as referenced in Section 4 herein, a hearing shall be held at the next regularly scheduled Board meeting that is at least eight (8) days after the initial suspension, as evidenced by the date of notice sent by certified or other mail service, or as soon thereafter as a Board meeting is held if the meeting referenced in the letter is canceled, during which both District staff and the person subject to the suspension shall be given the opportunity to appear, present testimony and evidence, cross examine witnesses present, and make arguments. The Board may also ask questions of the District Manager, Amenity Staff, the person subject to the suspension, and witnesses present. All persons are entitled to be represented by a licensed Florida attorney at such hearing if they so choose. Any written materials should be submitted at least seven (7) days before the hearing for consideration by the Board. If the date of the suspension

is less than eight

(8) days before a Board meeting, the hearing may be scheduled for the following Board meeting at the discretion of the person subject to the suspension.

b. The person subject to the suspension may request an extension of the hearing date to a future Board meeting, which shall be granted upon a showing of good cause, but such extension shall not stay the suspension.

c. After the presentations by the Amenity Staff and the person subject to the suspension, the Board shall consider the facts and circumstances and determine whether to lift or extend the suspension or impose a termination. In determining the length of any suspension, or a termination, the Board shall consider the nature of the conduct, the circumstances of the conduct, the number of rules or policies violated, the person's escalation or de-escalation of the situation, and any prior Violations and/or suspensions.

d. The Board shall also determine whether an Administrative Reimbursement is warranted and, if so, set the amount of such Administrative Reimbursement.

e. The Board shall also determine whether a Property Damage Reimbursement is warranted and, if so, set the amount of such Property Damage Reimbursement. If the cost to clean, repair and/or replace the property is not yet available, the Property Damage Reimbursement shall be fixed at the next regularly scheduled Board meeting after the cost to clean, repair, and/or replace the property is known.

f. After the conclusion of the hearing, the District Manager shall mail a letter to the person suspended identifying the Board's determination at such hearing.

8. **Suspension by the Board.** The Board on its own initiative acting at a noticed public meeting may elect to consider a suspension of a person's access for committing any of the Violations outlined in Section 3 herein. In such circumstance, a letter shall be sent to the person suspended which contains all the information required by Section 4, and the hearing shall be conducted in accordance with Section 7 herein.

9. **Automatic Extension of Suspension for Non-Payment.** Unless there is an affirmative vote of the Board otherwise, no suspension or termination will be lifted or expire until all Administrative Reimbursements and Property Damage Reimbursements have been paid to the District. If an Administrative Reimbursement or Property Damage Reimbursement is not paid by its due date, the District reserves the right to request surrender of, or deactivate, all Access Cards associated with an address within the District until such time as the outstanding amounts are paid.

10. **Appeal of Board Suspension.** After the hearing held by the Board required by Section 7, a person subject to a suspension or termination may appeal the suspension or termination, or the assessment or amount of an Administrative Reimbursement or Property Damage Reimbursement, to the Board by filing a written

request for an appeal (“Appeal Request”). The filing of an Appeal Request shall not result in the stay of the suspension or termination. The Appeal Request shall be filed within thirty (30) calendar days after mailing of the notice of the Board’s determination as required by Section 7(f), herein. Filing of an Appeal Request will be perfected and deemed to have occurred upon receipt by the District. Failure to timely file an Appeal Request shall constitute a waiver of all rights to protest the District’s suspension or termination and shall constitute a failure to exhaust administrative remedies. The District shall consider the appeal at a Board meeting and shall provide reasonable notice to the person of the Board meeting where the appeal will be considered. At the appeal stage, no new evidence shall be offered or considered. Instead, the appeal is an opportunity for the person subject to the suspension or termination to argue, based on the evidence elicited at the hearing, why the suspension or termination should be reduced or vacated. The Board may take any action deemed by it in its sole discretion to be appropriate under the circumstances, including affirming, overturning, or otherwise modifying the suspension or termination. The Board’s decision on appeal shall be final.

211. Legal Action; Criminal Prosecution; Trespass. If any person is found to have committed a Violation, such person may additionally be subject to arrest for trespassing or other applicable legal action, civil or criminal in nature. If a person subject to a suspension or termination is found at the Amenity Facilities, such person will be subject to arrest for trespassing. If a trespass warrant is issued to a person by a law enforcement agency, the District has no obligation to seek a withdrawal or termination of the trespass warrant even though the issuance of the trespass warrant may effectively prevent a person from using the District’s Amenity Facilities after expiration of a suspension imposed by the District.

XVI. INDEMNIFICATION

Each organization, group or individual reserving the use of the District’s Amenity Facilities agrees to indemnify and hold harmless the District and the Amenity Manager, and the respective officers, agents and employees of each, from any and all liability, claims, actions, suits or demands by and person, corporation or other entity, for injuries, death, property damage of any nature, arising out of or in connection with, the use of the district lands, premises and / or facilities, including litigation or any appellate proceeding with respect thereto. Nothing herein shall constitute or be construed as a waiver of the District’s sovereign immunity granted pursuant to Section 768.28, Florida Statutes.

The District and its agents, employees and officers shall not be liable for, and the Homeowner, Renter or Non-Resident Member user shall release all claims for injury or damage to or loss of personal property or to the person, sustained by the user or any person claiming through the user resulting from any fire, accident, occurrence, theft or condition in or upon the District’s lands, premises and/or facilities.

XVII. NATURAL BUFFER AREAS POLICY STATEMENT

The following is the policy statement of the District as it regards the natural tree protection, wetland and upland buffer areas that are scattered in large numbers throughout the Community. The policy statement is consistent with the policies of other governments including Hillsborough County and Southwest Florida Water Management District (SWFWMD) as it regards their natural, conservation tree protection and wetland conservation/preservation areas:

The natural areas are not intended to be maintained. These areas are to be left untouched to allow for nature to take its normal course. Vegetation that dies including, but not limited to trees are left to fulfill their role in nature's process.

Trees, within or immediately adjacent to these areas, that have died and appear to pose a threat of falling and damaging an abutting property owner's property may be addressed by the abutting property owner after securing permission to remedy the situation from the CDD and all required permits from all authorities having jurisdiction including Hillsborough County and SWFWMD. Such abutting property owner must initially contact the CDD for permission to address the removal or remediation of the threatening situation and shall then be responsible for any needed permitting or review by Hillsborough County and SWFWMD. Permitted trimming and/or removal, where warranted, shall be done at the expense of the abutting property owner. The goal is to minimize disturbance to these areas.

In the event that a tree does fall onto another's property, that property owner has the right to cut back or limb the tree as necessary to their individual property line. The rest of the tree is to be left as is. This would also pertain to normal maintenance, which would allow an owner to trim back any encroaching vegetation to their property line. No one is allowed to encroach into the natural areas for any reason, from maintenance to placement of personal property of any kind.

The above policies were adopted by the Board of Supervisors for the Covington Park Community Development District per Resolution 2024-01 on November 27, 2023, at a duly noticed public meeting.
